

For immediate release 30 June 2014

## **Farewell Hugh Rutter**

---

It is with regret and sadness that Reedy Lagoon Corporation advises that Hugh Rutter, Director, died on Friday evening.

A renowned geophysicist, in particular for his contributions to the Australian Society of Exploration Geophysicists and for his role in the discovery of the Olympic Dam Mine in 1975 whilst with WMC.

Hugh provided geophysical and exploration services to Reedy Lagoon Corporation from 1988 and became a Director in 2000.

He will be greatly missed.

Jonathan Hamer  
Chairman
